

MIKI HAIR PRODUCTS FOR HAIR & SCALP HEALTH

Follow this everyday step-by-step program
to assist with fuller and thicker hair.

1: Shampoo with **Kleen Miki Shampoo**,
a popular shampoo for men and women.

2: Apply **Mint Miki Scalp Stimulating
Conditioner** to your scalp and massage it in
and feel the tingle! Let it sit a moment then
rinse. Mint Miki Conditioner is a best seller
and can be used as your daily conditioner.
It smells great too!

3: Gently massage small drops of
Thiki Miki Scalp Stimulant* to problem
areas. Let dry. For fuller, thicker hair apply
scalp stimulant once in the morning and
once at night - you do not need to shampoo
before use. Thiki Miki Scalp Stimulant can be
used on dry hair.

*please test Thiki Miki Scalp Stimulant on a small
area of skin. Stimulants should tingle not irritate
your skin. Skin will turn Pink. In case of adverse
reaction rinse thoroughly.
